DEVRAJ SHARMA

ACADEMIC DETAILS

B.Tech Computer Science & Engineering	University of Engineering and Management, Kolkata	**75.2 %**	2025
ICSE (CLASS XII)	St Paul's Mission School	**80 %**	2021
ICSE (CLASS X)	St Paul's Mission School	**82.2 %**	2019

SUBJECTS

Technical Proficiency	Python, SQL Database, C Programming, Bootstrap, JQuery, JavaScript, Java, Communication Skills, HTML + CSS

WORK EXPERIENCE

Aakaar Campus ambassador	As a Campus Ambassador at IIT Bombay AKKAR, I connected the campus community by promoting events, fostering engagement, and building networks, enhancing my communication and event management skills.	Dec 2021 - Jan 2022

PROJECTS

FULLY RESPONSIVE PORTFOLIO WEBSITE	My personal portfolio website, built with HTML, CSS, and JavaScript, reflects my proficiency in web development. Featuring interactive elements and smooth transitions, it showcases my skills, projects, and achievements, demonstrating a blend of design and functionality	May 2024 - Present
PARALLAX WEBSITE USING HTML,CSS	I created a parallax website using HTML and CSS, mastering fundamental web development skills. Through layering and scrolling effects, the site delivers a dynamic user experience, showcasing my ability to combine design and code for impactful web projects.	Dec 2023 - Jan 2024

EXTRA-CURRICULAR ACTIVITIES

Going to the Gym	Committed to regular gym workouts, which enhance my physical fitness, discipline, and mental well-being. This routine builds resilience and boosts my overall productivity and focus.
Painting and Sketching	Passionate about sketching, which enhances my creativity and attention to detail. This hobby allows me to express myself and develop my artistic skills.
Reading Books	Enthusiastic reader with a broad interest in various genres, particularly self-help, spiritual, and fiction. This hobby enhances my personal growth, mindfulness, and creativity, providing valuable insights and new perspectives that contribute to my continuous learning and development.

CERTIFICATIONS

Exploratory Data Analysis for Machine Learning IBM, COURSERA	I recently completed an intensive Machine Learning course where I gained comprehensive knowledge and hands-on experience in various ML algorithms, data preprocessing techniques, model evaluation, and deployment strategies. The course equipped me with the ability to analyze complex datasets, build predictive models, and interpret results effectively. I also received a certificate of completion, validating my expertise and commitment to mastering Machine Learning techniques.

COMPETITIONS

Coding Quiz Competition	I thoroughly enjoyed and learned a lot from the Coding Quiz Competition, enhancing my problem-solving skills and deepening my coding knowledge.	Mar 2024

CONFERENCES AND WORKSHOPS

ATTENDED AIML WORKSHOP (UEMK, 19th August 2023)

Organized by: UNIVERSITY OF ENGINEERING AND MANAGEMENT | Date: Aug 2023

Participated in an AI/ML workshop at [Your College/University], gaining insights into Artificial Intelligence and Machine Learning fundamentals. Developed skills in data analysis, model building, and algorithm implementation, enhancing proficiency in cutting-edge technologie
